CILT International Diploma in Logistics and Transport

Course description:

The CILT International Diploma in Logistics and Transport is a freestanding qualification, designed to provide a sound foundation for a career within the transport and supply chain fields and should provide participants with a complete set of management and operational skills. To achieve the CILT International Diploma, all candidates must study and pass the one mandatory unit in addition to 3 optional units from a choice of 13 units. The modules offered as part of this qualification are also offered as standalone units, giving both students and employers maximum flexibility. This route may specifically appeal to employers who wish to target a very specific topic area (e.g. Sourcing and Procurement, Warehousing) for development as in-house courses, but with the option for employees to move forward at a later date to 'top up' to complete the Diploma course.
